

**a unique world
of sponsorship
opportunities**

GAI Sponsorship Opportunities

As a member of the GAI, there are a number of opportunities to show your support and present your brand and products to potential clients. Outlined below are a range of activities and events which members are able to sponsor.

If you are interested in finding out more about any of these opportunities please call head office on 020 7790 4341 to find out more detailed information.

GAI AGM & Conference

Held annually over a weekend in late May, the GAI AGM & Conference requires numerous sponsors to help make the event more affordable and accessible to all members, big and small. The sponsorship package varies year on year depending on the event format and location.

Education Awards Lunch

The largest and most high profile event within the GAI calendar held in London in early November, the Education Awards Lunch aims to showcase the achievements of the GAI Diploma students.

Sponsorship for this event currently involves one key company who is able to commit to several consecutive years sponsorship.

Pinnacle Award

The Pinnacle Award is presented at the Education Awards Lunch and is given to the student who has achieved the best aggregate score over the three years of the education programme, and is the highest accolade of the GAI Diploma.

IAI AGM & Dinner Dance

Held annually on a Saturday in February, the IAI AGM & Dinner Dance requires numerous sponsors to help make the event accessible to all individual Institute members. The IAI awards are also presented during the evening's dinner proceedings. The sponsorship package varies year on year depending on the event format and location.

GAI & RIBA Specification Awards

The bi-annual Architectural Ironmongery Specification Awards Lunch celebrates architectural ironmongery at its best. Nominations are made, visited and judged in advance with awards given at the lunch to the whole specification team, both AI and architect. The event aims to be held in a building of architectural interest and requires sponsorship for each of 5 categories as well as the overall winner of winners.

IAI Regional branch meetings & CPD presentations

Most branches hold monthly meetings for CPD presentations. Although there is no set fee it is expected that the company making the presentation will make a significant contribution towards the cost of holding the meeting. Attendance varies by venue and so does the cost incurred which should be discussed with the regional branch chairman.

Education Manuals

Sponsorship enables approximately 500 students and RegAls to view your company details on page 2 of the sponsored manual. They are recommended to use the weblink to your company to further their studies of the subject. Each of the thirty plus education manuals has space for up to nine sponsors and appearance is for two consecutive academic years. There is no limit to how many manuals a company may sponsor but by selecting a manual at each of the three levels there is exposure to all students. Quantity discounts apply.
